*In the Country of Mexico the use of the word Añejo is most often associated with the quality of tequila, meaning "aged, or brought to perfection." We have named our restaurant Añejos to reflect, not only, on the fine taste of our margaritas, but also to reflect on the experience our staff brings to the preparation and presentation of your dining experience. The Añejos staff has decades of combined experience in preparing and serving fine Mexican cuisine.*

# MAKE YOUR OWN COMBO
